What is Mu Alpha Theta?

Mu Alpha Theta is a National Mathematics Honor Society encompassing over 65,000 students in more than 1,400 schools. We are dedicated to inspiring keen interest in mathematics, developing strong scholarship in the subject, and promoting the enjoyment of mathematics in high school and two-year college students.

Activities of the various chapters are quite diverse. At CPHS, Mu Alpha Theta members participate in regional and state competitions and have the opportunity to meet and learn from interesting speakers. Others tutor students in mathematics. Texas has established state organizations and has annual conventions. Students can assume leadership roles in their local club, state associations and the national organization, which holds a convention every summer.

Topics presented in the Mu Alpha Theta meetings and the interest generated therein aid students in their college mathematics courses. The National High School Mu Alpha Theta is "dedicated to promoting scholarship in mathematics and establishing math as an integral part of high school and junior college education."

What are the requirements for membership?

High school students who have completed the equivalent of four semesters of college preparatory mathematics and in addition have completed or are enrolled in a still more advanced course, are eligible for full membership providing their mathematical work was done with distinction (on a 4.0 grading scale, this shall mean a 3.0 grade point average, A=4, B=3, C=2). Members are responsible for completing service and math hours each semester. Members are also required to attend all meetings (one per month).

Why are you interested in becoming a member of Mu Alpha Theta?

Please check all that apply.

Math Competitions

Speakers in mathematics

Number Sense

Math Team

TOPICS _____

Calculator

It will look good on my transcript

Tutoring in mathematics

State conventions

A passion for mathematics

B or better average in mathematics

Individual subject exams (Alg. 2, Precal, etc.)

Please turn applications into Mrs. Fontenot in room E203 by Friday, October 3rd.

New members will be notified of acceptance by October 10th. Please plan on attending the October meeting. Check the website for time and date. <http://cphs.leanderisd.org/orgs/mat/mu.html>
